COLLECTION

Established in 1995, AL BILAD INDUSTRIES & TRADING FZCO, in a span of 16 years has expanded its area and scope of activities promoting development to achieve good service and customer satisfaction.

Al Bilad Industries and Trading FZCO are a leading manufacturer of metal and wooden furniture, specifically for banqueting furniture.

We are supplying high quality products for hotels, restaurants, café, labor accommodations, schools and universities. Our production line is completely automated with modern machineries to maintain the quality and productivity.

Al Bilad Industries had been awarded ISO 9001:2000 certificate in the year of 2002 for Quality Management System Standard.

We assure that we shall support our clients by providing high quality products with competitive prices which meet international specifications and market requirements.

Moreover, our products offer convincing advantages of long service life and optimum efficiency with a wide margin of protection against over loading. Maximum safety is built-in by strict control and adherence to National and International safety regulations.
